GEM Pass

THE RAILPASS FOR STUDENTS

Merseyrail

More than just a journey

www.merseyrail.org

The GEM Pass guide to fares and tickets on Merseyrail

If you're a student in full or part-time education, get yourself a GEM Pass and enjoy discounted rail travel across the Merseyrail network. You'll be able to travel as often as you like, day or night and at evenings and weekends.

Take a look at the network map opposite and the pricing structure below to see how much you could save with a GEM Pass. If you have trouble working out the zones or areas your journey passes through, log onto www.merseyrail.org/gempass and use our journey calculator which will work it out for you.

When you're ready to apply for a GEM Pass, print out this document and fill in the application form. If you have a valid student card, you don't need to get your application form stamped by your education provider. You just need to take it and your application form to any Merseyrail Northern or Wirral line ticket office, with a passport picture of yourself and we'll issue you with a GEM Pass there and then.

If you don't have a valid student card you'll need to get your application form and a passport picture of yourself signed by your school, college, university or training provider to prove you are in full or part-time education.
