

Young Person's Ticket Proof of Age Application Form

If you would like a Merseyrail ID card to prove you are under the age of 18 and don't have a valid passport or driving licence, your education or training provider can validate your application.

Complete the reverse of this form and get your education or training provider to add their details and stamp. Take the form, along with a passport photo, to any staffed Merseyrail station and you will be issued with a photo ID card.

Make sure you have your Merseyrail ID, passport or driving licence each time you travel or we'll have to charge you for a full-price ticket.

Please fill out your details, get it validated by your education or training provider and bring this completed application form along with a passport photo to your nearest staffed station.
