Northern Line engineering work

Liverpool Central to/from Hunts Cross

Saturday 24 July to Friday 27 August 2010

Due to essential track improvement work, all trains between Liverpool Central and Hunts Cross will be replaced by rail replacement buses from **the first train on Saturday 24 July until the last train on Friday 27 August 2010** inclusive. Normal service will resume from the first train on **Saturday 28 August 2010**.

Trains will run normally from Southport to Liverpool Central. However from Liverpool Central to Southport there are slight changes to timings. The additional peak time trains will not run during the engineering works. Northern Line rail services to and from Kirkby and Ormskirk will not be affected by this engineering work.

This leaflet shows the full train and rail replacement bus services during the engineering work.

Please note that journey times will be longer.

Rail replacement buses

In Liverpool city centre, the rail replacement bus service will pick up and drop off customers on Lime Street outside St George's Hall. As access to some of the stations is difficult by bus, the rail replacement bus service will stop as near to the stations as possible. Buses will use the following bus stops:

Liverpool Central	- Lime Street bus stop A (outside St George's Hall)
Brunswick	- bus stop outside the station
St Michaels	- outside Lark Lane Library (towards Hunts Cross) outside Home Bargains (towards Lime Street)
Aigburth	- bus stops on Aigburth Road near to Mersey Road
Cressington	- bus stops on Aigburth Road near to St Mary's Church
Liverpool South Parkway	- stand 4
Hunts Cross	- bus stop opposite the station

Tickets and passes

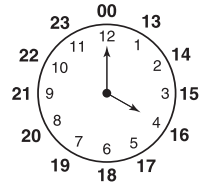

Please buy your ticket at the station booking office as normal before starting your journey - **you will not be able to buy a ticket on the bus.**

All valid rail, Railpass, Trio and Saveaway tickets will be accepted on buses for the appropriate journeys.

General information

The 24-hour clock

In this timetable booklet, train times are shown in the 24-hour clock format. For example, 9.42am is shown as '0942' and 3.28pm is shown as '1528'. Use the clock shown here to help you convert other afternoon and evening times.

Passenger help points and telephones

All Merseyrail stations have public telephones and rail information/emergency help points. These can be used at any time to obtain further information or emergency assistance.

Prams and Dogs

Prams, pushchairs and dogs will be carried at the discretion of the bus driver.

Bicycles

Bicycles **cannot** be carried on the buses.

Disabled travellers

If you think that you may have difficulty using the rail replacement bus service, ring the Merseyrail Mobility helpline on **0151 702 2071** and they will try to make alternative arrangements to help you with your journey. **Please give at least one hour's notice.**
